

## Kims Game

### **Purpose**

To promote awareness, observation, and memory

### **Method**

Identify a safe area and cordon it off. In the area place 10 items that would be foreign to the location – ask members to go into the area and find the items remembering them to list out

### **Preparation in advance**

1. Identify a safe location
2. Assemble 10 items that would be unusual to the area- e.g. A Shirt and Tie, a candle , a photograph , a phone , shoes , a torch, compass , pint of milk , cushion, book
3. Method to cordon off area

### **On the day**

1. Cordon off area
2. Place items
3. Explain the guidelines

### **Risk assessment**

1. Location may cause risks of cuts falls or stings
2. First Aid kit
